eSeaGrant Instructions

OVERVIEW

*Virginia Sea Grant requests that all draft applications be shared by the voluntary submission date on December 4, 2019 at 5:00 pm Eastern Time.* If you plan to apply, we strongly recommend notifying VASG and registering for eSeaGrant at least two weeks in advance of the deadline. Please review the fellowship announcement (https://vaseagrant.org/) and refer to these instructions as a guide to submit your application using eSeaGrant.

REGISTERING FOR ESEAGRANT

Applicants can register for eSeaGrant by visiting the website (http://vaseagrant.ecsion.com), selecting the "Register" tab, and completing the required information. If you do not receive a “welcome” email with login credentials shortly after registering, contact Sam Lake (contact information below). Once you login, you can change your password. To do so, click your name in the upper-right corner of the screen and select "My Profile."

CREATING A FELLOWSHIP APPLICATION

To start an application, or to edit an existing application, click on "Current Tasks" on the banner head and select "Add Fellowship Application" under “2021 Knauss Marine Policy Fellowship.”

Once you have added the fellowship application to your Current Tasks, progress down through the sequence of application sections (“Start Here” through "Submission Preview") listed on the left side of the window to submit your application. Guidance related to these sections follows, in sequence. Please note - some sections may require additional pop-up pages. Please allow your browser to display pop-up windows and enable JavaScript.

eSeaGrant provides a section to upload your personal education and career goal statement, CV, official transcripts, and future plans. These documents must be converted to PDFs. To preserve confidentiality, letters of recommendation must be uploaded directly from the referees to VASG through eSeaGrant. Applicants must identify and submit requests to their referees through eSeaGrant by entering their referees’ names and email addresses in the corresponding section. **Applicants must click the “Submit” button in the “Submission Preview” section to complete their application.**

All elements, including recommendation letters, must be submitted by the required date. VASG cannot accept late applications as outlined in the FFO. Please allow ample time to submit your application. Confirmation of the application and recommendation letters will be automatically generated and sent by eSeaGrant. If you do not receive confirmation shortly after submitting your application, contact Sam Lake.
